

Why hire The Playground Guys?

While certainly not the main reason for hiring a playground equipment company, it does help the decision-making when you know the business is considered a pillar in the industry. Such is the case with The Playground Guys, and we wanted to share our successes with our customers.

At the end of February 2011, Ron Sweetman of The Playground Guys, received an award for the single largest order of playground equipment in North America! He also accepted the 2010 Bronze Award for Excellence in Sales at the International Sales meeting of Playworld Systems Inc in Lewisburg, Pennsylvania.

“We were thrilled,” said Sweetman. "For a Canadian company to be recognized with such a prestigious award from our peers is a testament, not only to the quality of our product, but to our amazing team of professionals," added Sweetman. "We were pleased our entire team could be there to accept the accolades in person."

In 2010, the Playground Guys' team put a target of \$2M (Cdn) for playground equipment. With their Edmonton order of \$230,000 for Westridge Park, they easily reached their goal, and of course, reaped the rewards in Pennsylvania.

This latest accolade joins other awards The Playground Guys have received over the years:

- Distinguished Achievement 1997
- Gold Award of Excellence 1999, 2001, 2004
- Platinum award of Excellence 2001
- 1 Million \$ Club 2005
